

NEW FROM HASTINGS HOT LINE TOOLS FIBER GLASS ARMS FOR COMPOSITE OR WOOD CROSS ARMS

- Can be used with both our Round and Super U Arms 4.25 x 6.75
- Rubber Grippers won't damage composite cross arm
- Cross Arm Loop is powder coated to prevent damage to composite cross arm
- Castings Trim on end fitting provides protection on bottom side of composite cross arm
- To order arms found on page 307 and 308 just add -F to the catalog number. This will work on all arms listed below. The -F List Price Adder is \$24.00, which is then added to the price of the arm.
- Retrofit Kit to convert existing extension arms is Part #7560, this includes all parts shown. The List Price for the kit is \$82.00
